PowerHouse School of Ministry

**General
Information**

A Note from Doug Stanton

The Harvest is Plentiful, The Laborers are Few!

John Wesley said, "*Give me one hundred preachers who fear nothing but sin and desire nothing but God, and I care not a straw whether they be clergymen or laymen; such alone will shake the gates of hell and set up the kingdom of heaven on earth. God does nothing but in answer to prayer.*"

The longer I serve in ministry, the more the above quote by John Wesley makes 'heart sense' to me. God is calling all who will go... It is my sincere opinion that many are called but have disqualified themselves as a result of the training system of the world in the church. Many people assume they are not called and act accordingly. It is my experience that your calling and election do not become clear until you step out and obey the Great Commission. Direction and knowing come while you are moving.

Powerhouse School of Ministry is available for all who would be willing to train and be willing to go. If you have in your heart a desire to do more for God, then this is the School for you.

We will be committed to helping you find your 'destiny call' and help you have a chance of achieving it before you stand before God.

There is nothing more precious
then to discover the will of God
and do it!

BUILDING YOUR MINISTRY

The main thrust of the DSMI School of Supernatural Ministries, is to build your ministry. We are committed to produce ministers that are built with strong biblical foundations, as well as knowledge and experience in all of the supernatural aspects of the "Gospel of Christ" and the "Works of Christ".

This is a "Rubber Hits the Road" Training School with the intention to teach and train in areas that will best equip students for the work of the ministry.
